Daniel,

Thank you, for the membership card. It got here pretty fast. My T-shirt size is extra large.

Also, I would be very interested in any help and information you can give me for Co. C 75th. I was in country January through December of 1970. I would be more then happy to pay for this information, and to help out with a donation toward the collect of any other information.

Any names you can give me of people that were there during the same time, or that have more information that might be of help would be great to have also.

My wife and I are planning on going to Tacoma in June for the reunion. Hope to see and meet you there.

Best Wishes,
