Dean,

Thanks for your letter and the T-shirt info. Find enclosed a roster of all the guys I have good addresses for. I've highlighted the names that my database shows were there when you were. Please keep in mind that memories fade and the info I'm working with may not be 100% correct. Also, there are a majority who have not sent in a database form so I really don't have too much info on them, some of the others may have been there during your tour too. While you're at it, I've enclosed a form for you to fill out too.

Hey guy, don't worry about paying for any info, that's what your membership is for and that's why I'm here too. If you want to send a donation for our archives fund I'll take it though. If there is any other info you'd like to have let me know. Don't know how much I can provide, but I'll sure scratch up what I have.

I'm really glad to hear that you and your wife are coming to the reunion, it's going to be an experience to remember. I'll be looking forward to seeing ya'll there.
