Hi Daniell,

I'm not sure what all you wanted but I sent what I thought you was talking about. Let me know if thats the right things if not I'll try again ok? Just remembered your dealing with a Blond. ⁸⁴₈₄

I really want to Thank all of you for keeping me in the family. I Always felt I was a part of you guys and I Always felt safe in knowing that. I love hearing from you and I hope I can live up to being one of you. If any of you need anything I will try to be there for you I'll never be as strong as Tom was but I'll never lose the pride and faith that He had in all of you guys. I was with him the whole time while he was in Viet Nam and I was with him when he came back. My heart went out to the ones that had no one to come home too and my tears fell for the ones that didn't make it home. I am looking forward to meeting you guys if you come up to do the

numeral service I hope that's not asking
too much from you guys? If your
guys need a place to stay let me
know and I can make ~~some~~ arrangements
with the motel that's close to me cause
I know the owners or if you have
campers or tents I have a huge back
yard and a field beside it I'm
way out in the sticks so you can
pitch tents and party all night if
you want to. But I will understand
if you can't get it done because
I know it's a lot to ask I was just
so upset when he didn't get the
proper send off! Well I'll close for
now. enclosed is some pictures
like I said I would send hope it's
helps some. Thanks again for
being here for me

Love Always

Lis
