

19 JULY 95

Daniel,

Sorry this took so long. I'm two weeks behind in my civilian pay. The base is having a cash flow problem.

The Papa Co. reunion in San Antonio was an immensely enjoyable experience for me and all who attended.

I couldn't make it to Ft Benning for the Rendezvous, due to financial constraints. Maybe next year in Ft. Lewis.

John La Barge & John Myrrett both called me recently. We talked for at least an hour each.

The information about the photo is printed on the back (TEAM PHOTO).

Sorry this is so brief, but I have to go to work now.
