Greetings fellow Rangers,

Things have been very busy here at LZ Daniel. I've started two mail calls per day, one outgoing and one incoming (pardon the pun) to keep up with all the letters I've received and to re-mail letters to guys I got updated addresses for. And I heard that the mailman had to get a new set of tires for his jeep!

I am very proud to announce that as of this date 78% of the 307 letters I sent out were delivered. That's a helluva good start. I would like to personally thank Gary Norsworthy, without whose help I would never have had the opportunity, much less gotten this far. The response has been very positive and supportive. I've had a lot of guys telling me they're glad that someone is going to get the ball rolling, and they're behind it 100%. That's what I need to hear, I'm not doing this for myself, it's your party!

I want to sincerely thank all of you who have contacted me since my last letter, it has really given me the initiative to drive on! But there are a lot of you who haven't. Come on guys, communication skills in the 20th Century aren't that difficult! Just a short note or a call to let me know what you think. Tell me what's on your mind and what you'd like to see me do for us. I'm building an organization for the benefit of all of us and it is necessary that everyone take an active part or it will be meaningless.

A lot of guys have wanted to know about the Ranger Tab. The way to find out is to get your dues paid up in the 75th Ranger Regimental Association, Inc. so you can get the Patrolling letter. The Association is the reason anything has been done at all. The dues that members pay is what has funded special projects like the Ranger Tab, the beautiful Ranger Memorial that we now have at Ft. Benning, our Regimental members that have been added to the Infantry Hall of Fame, and will fund future ones like possibly having the names of all our KIA's enshrined in the Special Operations Forces Plaza at Ft. Bragg along with those of all other Spec Ops units. Believe me guys, its the best twenty bucks you ever spent. Call Roy Boatman for a copy of the Patrolling letter and an application if you're not presently a member at

Please send donations guys, these letters are \$150 a pop. I don't want to see it bogg down now that we're on a roll!

We have one of our own in dire need of moral support. Michael Warner is in the Travis County jail in Austin, Tx under very questionable circumstances. The guards are very anti-Vietnam Vet and harrass him and keep him in isolation in shackles most of the time. He has requested to hear from his fellow vets and badly needs your support. Please find the time to write him at the following address:
