

Mr. Daniel Pope, President  
Co E (LRP) & Co C (Rngr) Assoc. Inc.

Dear Daniel,

Attached is my application for membership to the association, a copy of my DD 214, and a check for \$30.00.

A close friend of mine, Larry Hensley of Sherwood Arkansas, sent me a copy of your January SITREP and an application. Larry and I were on the same team (26) with Charlie Co. I was very interested in some of the information you talked about in your news letter. Over the past year I have been jotting down some of the event in my life between February 1969 and December 1970. My memory of that time is pretty good but it would be really great to have some supporting documentation.

I am also excited about the prospect of going to Tacoma, WA in June. So from an Old Grim Reaper of Death, Beer and a Body Count (Bravo & a Bravo Charlie) look forward to hearing from you and maybe meeting you in Tacoma. Best wishes.

A handwritten signature in cursive script, appearing to read "Dean".
