Not: SSG Cardona R, (Stake out Baker) 1990s
13th PLT team 12. This guy should
have never been in charge of anybody.
He was gave a team with out any
training in country, by the PLT Sgt Hong
who was never on the ground.
SSG Cardona set-up a ambush
and did not tell his team anything
and walk into his ambush with his
RTO, This body layed in Oakland, Ca

we c/75 Ranger fly over people
