Randy Mills

Randy,

Haven't heard anything from you since our phone conversation in October. You were supposed to send me an application and verification orders.

I don't want to keep on holding your cash, so I'm returning it. When you have time to get your application etc together just forward it and I'll take care of it for you.

Let me know if you still want the shirts.

Hope everything is going OK.

Thanks.

Sincerely,
