Rocky,

Will add your request to the newsletter. The following info is as current as possible:

**Steven Hightower**

**John Leppelman**      There is no telling where Lepp is! I suggest writing him a letter. It will eventually get to him.

**Ron Lesley**

**Bruce Sellers**

**Gary D. Wayt**

Reggie Salinas just left Ft. Benning bound for Germany. He assured me he would be in touch when he got settled. I'll notify you.

I have added Brandeis, Carr, Dove, Rice, Trask and Woodbury to the Search Database. I'll notify you if they turn up.

Good luck!

Sincerely,
