Dear Ranger Dan,

I just received a letter and the Sept issue of "Patrolling" from Roy Boatman. I am sending in my membership dues tomorrow. Roy informed me that you might be able to help me in finding members of my team. I was a member of Co 'C' 75th RANGERS during 1969-70, I was assigned to 1st PLT (SATAW's PLAYBOYS) and TL For Team 1-1. My team members were (I can't remember 1st names, in fact there is alot I can't remember due to PTSD)... James (JJ) Johnson from FL, Trask from the Oarks, Robert Vaughn from TX, Robert Dove from Atl, GA and Brandis, can't remember where he was from. Anyway, if you know the whereabouts of any of these guys please let me know. Also, if you know where I can get any 'C' Co patches please let me know. I would appreciate any INFO you can give me on the association and hearing from any Rangers who would care to write. I live out in the sticks in Calumet, MI where I recently moved. I don't know anyone up here and ~~do~~ due to my PTSD I don't make friends easily so hearing from some Rangers would really make my day. I also served with B Co. 4th BN 173rd ABN BDE in 1967-68 so if you happen to know any guys from that unit I would appreciate their names and addresses especially anyone who was on Gills 823 and 875 in Dak TO 1967.

Hope to hear from you soon. Very happy to be back with the Rangers... Airborne!!

Rocky (Jerry)
