Rocky,

Thanks for your recent letter.

I know exactly what you mean about memory, although, I'm not sure whether it's the PTSD or senility setting in. Probably some of both!

I checked the database for the names of your team-members and only came up with one name that I have a current address or phone number for, as follows:

Roger Vaughn

You might check through the roster I sent for names, maybe you'll recognize a few. I know there are a lot of 1st platoon guys on it.

There are C company patches around, but not readily available at this time. There are some things in the works to maybe get us some made up in the future. I'll let you know.

If your reference to association was to our E Co/C Co association, don't worry, you are know on the mailing list and will be receiving my newsletters. There will be one soon.

I don't know anyone who was in the 173rd. You need to get in touch with the 173rd Association. Contact Roy Boatman he can give you the info.

Hope this is a help. I'll be in touch soon. In the meantime, **DRIVE ON!**  
If you need anything just write or call.

Sincerely,
