DAN,

I'm going through financial difficulties right ^{now}, but I'm going to be able to join the E-20th and C/75 next month, save a place for me. Also, I noticed in the last newsletter the names of those Rangers (KIA) in 'NAM. One of those not listed was a Ranger named WALTER G. ~~BURKHARD~~ BURKHART

He came to AN Khe same time I did and started and completed the Ranger school same time. End of Oct. '69. He was killed FIRST⁰ mission, HE stood up during a Fire Fight got zipped across the chest. Great Kid! I still think about him from time to time. But, I think its important to

remember him as an honored
dead amongst us Rangers.

HIS DATE OF death was around
the last week in Oct on Early NOV '69
out of Phan Thiet -

Dont get too discouraged if
our fellow Rangers dont react
quick enough on the membership
drive, I know! its like pulling
teeth. But our fellow Rangers
are worth the wait.

Nothing's wrong with building
a small fire under their
butts (including mine) -

TAKE CARE Ranger
