Lester,

Thanks for your recent letter. How do you like your new job?

I'm also battling for a rate increase, I know what you mean. I've been fighting them since 1988 to no avail because I didn't have my shit together, but that has recently changed and I'm about to kick some butt! Good luck, if I can help in any way holler.

Hotdamn! I'll see you at Benning! A couple of us have a room at the Sheraton under the name Richard Burns. I'll be there on the 14th.

Thanks for the orders, they really will help. I would also very much like to have what you can get on Squires, Parr, and Kiskaden. Also, I'd really like to have copies of the Archives info you mentioned for our History research.

I got word recently that they've just released the following:

U.S. Forces in Southeast Asia, 1950-1975 (RG 472, 570 Cubic feet)

As part of this they list:

Company C, 75th Infantry (Ranger), Organizational History.  
Military Equipment Delivery Team, Cambodia.

Contact Suitland Reference Branch .

I've wished for years that I could afford to get everything relative that they have on the units I served with, but it would be very costly. Maybe one day.

I'm outa here for now Lester, looking forward to seeing you at Benning.
