

Daniel Pope

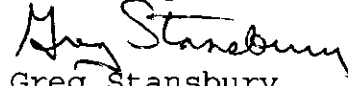

Dan,

I wanted to thank you for the sitrep's. I was in C CO 75TH in 69-70. I always felt very lucky to be associated with the Ranger company format that we used in Viet Nam. Throughout my career in the Reserves and now National Guard, I have tried to pass on the ideals, training, and tactics that were so effective for us.

It is curious that after 25 years, my next mission is to train a foreign military, the Art of LRRP'S. As my team and I prepare the lesson plans, I think back on all the lessons we learned way back in Viet Nam. It was the way to fight that war. Perhaps it is the way to fight the war in Bosnia.

I unfortunately will not be able to attend the reunion this year but hope it will be a success.

Sincerely,
