Greg,

Thank you for your letter. I'm really glad to get a response from you. There are a lot of guys that I've been sending newsletters to all along but have not heard anything from. Thanks for letting me know I'm getting through.

You're right Greg, what we developed in Nam was inovative stuff and I'm glad to hear that you're passing it on. I frequently have some of the young guys from the 3rd Bn, 75th at Benning come up to my place in the country. They tell me that they're not being taught patrolling techniques, at least the kind they need to be learning, so I try to pass on what I can off the record to them. We have so much we can share with them.

I was pleased to hear that you're active in SF. I was in 5th Group in Nam before I was in E/20th and C/75th. SF has always been dear to my heart, although I've heard it's not quiet what it used to be, but then peace time always changes things. I'd be interested to hear more about what you're doing, if that's possible.

Stay strack, I'll be in touch.

Sincerely,
