

20 JUNE 95

Daniel,

This has got to be quick, as I'm writing while having my morning coffee prior to going to work.

I recieved the packet of information you sent me only last evening. I would love to go to the reunion, but as you said, the reaction time is too short in my case. My boss is very understanding but one hours notice that I'm going wouldn't be fair to him.

Furthermore, I just returned from a Papa Co, 75 reunion in San Antonio last week. I'm too financially strapped right now to attend. Maybe next year in St. Louis. My wife & I both plan to attend that one.

The only picture I have left is a team 3/5 photo taken at the Oasis, Pleiku in Mar. 69. I'll try to have it reproduced & send you

a copy. That was my last mission<sup>2.</sup>  
with C Co as I recall. The names  
of the guys on my team were as  
follows: <sup>SP/4</sup>GEORGE HERRINGSHAW, SP/4 JOSEPH  
R. CRAIG, SP/4 ROGER A. CHAMBERS, SP/4 ~~John~~  
LABARGE, PFC TOM SHARKY.

Maybe you can use the names in  
your search for Ranger buddies, &  
the photo for whatever.

As soon as I get paid I'll send  
you what I can afford to spare to  
help with the mailing expenses and  
other C Co activities.

Gave to get ready for work now.

Hope you enjoy the reunion as  
much as I did the one in San  
Antonio!

P.S. I'd also like a roster of E & C Cos.

Money enclosed.
