Rodney,

Thank you for the nice letter. As requested, I have changed your address on the Database.

And thank you for the donation, its guys like you that have gotten us this far.

If you wouldn't mind, please fill out the Database questionnaire and send it back along with any copies of orders you might have. Both are vitally important for the long term projects I am taking on for us, especially the orders. I don't have anything on the early E/20th era to speak of. I have several of the early E/20th guys on our list, but I need hard information for research.

Thanks again Rod, hope you can make it to the reunion in June. I'll be in touch soon.
