LZ Daniel,

Hello! fellow LRP/Ranger, It was real good to hear from former Assistant Patrol Team Leader, Sgt John Everly. After 26 years we are all getting old, compared to the youth we were in Vietnam.

John mentioned that you are needing names and such to make contact with our other company members. I have enclosed a couple of orders that have several names and SSN or our company and team members from 1967 to 1968.

I also have several photo's from Vietnam along with a short video that includes many of the 2nd platoon members when we were at Camp Enari near Pleiku while we were waiting to attend MACV Recondo School in Na Trang.

I hope the enclosed information will aide you in making contact with other former member of our unit.

Sincerely,

Ralph (Fox 24) E. Resch Jr.

P.S. Resch at -

is my FATHER CONTACT WITH HIM IS NOT NECESSARY,
