

Ross M. Rosensweig

Dear Daniel,

I am writing in response to your letter that I received recently. I served with C/75th from July, 1970 to April, 1971. I was 3 months into my second tour when I went to Charlie Rangers.

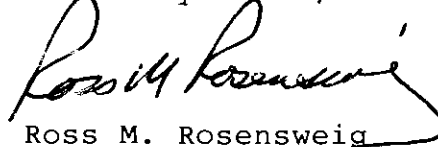

I have to admit that keeping in touch with those I served with has been damn near impossible. It seems that noone wants to communicate with the ones they served with. I believe they are still hiding from the war and the pain it caused us all.

In Nam I was known as the "Jew". If you have a current roster of those who served it would be greatly appreciated.

I am willing to do what I can to help in organizing and contacting those who served in my unit. I have a roster of the 75th, but since so many went by nicknames their real names are very vague.

Please stay in contact with me and let me know if there is anything I can do to help with this project.

Sincerely Yours,

A handwritten signature in cursive script, appearing to read "Ross M. Rosensweig".
