Joseph,

Thank you for your response and welcome home! And thank you so much for your donation. I'm trying to get things up and going for us on a shoestring budget and every bit counts.

Find enclosed a copy of the present roster. These are the only valid addresses we have right now. I have at least twice that many names, but it will take funds to do searches for them. One step at a time. We'll get there!

I am sending the newsletters I have already sent out for your perusal. I am presently working on a set of by-laws for a Company E / Company C Association for us and will send you an application when that transpires. Until then you may expect to start receiving my newsletters in a timely fashion.

Thanks again, I'll be in touch soon.
