Dear Dan,

Thanks for sending me the E-20/C-75 newsletters. I'm glad our old outfit is finally getting together again. I don't know if you have it on file or not, but I can give you the address of one more old 4th platoon Lurp. Richard Cheek, 40081 Upper Calapooia Rd. Sweethome Or.

June 22-25 is dead line time for my next issue so I don't think I will be able to make it to the reunion. That might change if all my writers get their articles in early. (and it might snow in Festus that weekend to! ha! ha!)

You mentioned in a previous letter you were looking for war stories to back up the move to award us the Ranger tab. If my story in Behind the Lines is of any help, please feel free to use it.

I have enclosed a complete set of *Tactical Knives* magazine. Hope you enjoy them. I have also sent along a small donation to help keep your project rolling.

Sincerely,

*Steven Dick*
