

Pope

I'm not much on writing like I said last nite.
So it won't take much of your time.

The blond haired guy who went to Truckee
School I think his name was Golden. I
think we called him Goldie.

There was another guy I thought of too. He
was from Arkansas. He was there when I got
there. His name was Brown. We called him
Farmer Brown. He was real quite.

I'm sending some orders & stuff. Hope it
helps. I'm also sending a little to help with
your mission.

Sure was nice to talk to you. Hope to
see you the last of June.

Sincerely

Wayne Rhodes

P.S. If you should hear from Tim Snyder,
Please let me know. Call collect if you want

Thanks
