Stephan,

I picked up your name as being a new member of the Association in the recent Patrolling letter. Welcome home brother!

Being your Company C representative I wanted to take this opportunity to catch you up on what's been going on with Charlie company.

Find enclosed my newsletters since taking over as rep last August. We've made some real progress since then. We now have a mailing list of 211 guys and we're picking up more since the word is getting out. We're on the verge of incorporating as a Company E (LRP)/ Company C Association and we will have a reunion as part of an open Ranger renuion in Festus, Mo. in June. All the info on this will be in my next newsletter.

You can expect to start receiving my newsletters now that I have you on the database. Please take the time to fill out the database form enclosed in the second newsletter and mail it back as soon as possible. If you don't know all the info just fill out what you can.

More than anything, if you change addresses please let me know, I don't want to lose you now that you're in the net.

If you have any questions or need anything please don't hesitate to call or write.

It's good to have you aboard! Hope to hear from you soon.
