Dear Fellow Ranger,

One of the last things I want to do is have to resort to a form letter, but the recent response has been so great that I came home from the hospital with a mountain on my desk. I am faced with the dilemma of not having enough time to write a personal letter to each and assimilate all the information that has been sent in too.

I do, however, want to recognize your support personally and thank you for taking the time to respond. Due to the help and support of yourself and others like you we are making great strides toward getting E, 20th/C, 75th organized and creating something meaningful for all of us.

Again, my sincerest thanks.
