Lepp,

I'm afraid I owe you a serious apology. Yesterday I attempted to look up your phone # on the Company C roster to find that it wasn't there. I have no idea how I neglected to include you but alas I must be human! Anyway, I am making amends by sending all the newsletters I've mailed out since the reunion and henceforth you will receive yours in a timely manner. Sorry brother, it wasn't intentional. Don't bother with the database form I've already got all that from the Locator form you filled out.

Now to why I tried to call. I wanted to say I'm sorry about Gary Frye, I know you were close.

I've been frequently in touch with both Nina and his daughter Angela. I am attempting to give them all the moral support I can. I have also arranged for my lawyer in Atlanta to be retained by them to handle a case against the VA. They are due some serious compensation for damages. If and when you feel like taking on the details give me a call.

I am trying to come up with some ideas on how to provide some monetary support for them because they are in a bind. If you have any ideas let me know.

That's all I've got for right now. I'll try to keep you posted.

Sincerely,
