

Daniel Pope

Company Representative
Co E (LRP), 20th Inf (Abn)
Co C (Rngr), 75th Inf (Abn)

20 December 1994

Harold D. Elsea

Harold,

Thank you for your letter.

I am enclosing the September '94 issue of the Patrolling letter. In it you will find an application. On the back you will see me listed as your Company representative. It also covers the Ranger Rendezvous that was held in Columbus in August, it was great! Get your application sent in right away so you can get the info on the Ranger Tab that will be published in the next Patrolling letter as well as all the info on what is going on within the Association.

I am presently working on a Co E (LRP)/ Co C (Rngr) association for us. One has never been formed and there is a lot to putting one together. Dues will probably be \$20, the same as the Association. More info to come in my newsletters.

The next "Ranger Rendezvous" will be held in Seattle, Wa. in July of 1996, and the next one after that in 1998, probably back in Columbus again. They're held every other year so that the individual companies can hold reunions in the off year. I'm working on one for us now, possibly in June of 1995.

I'm still working on the database for our Company and have a long way to go to make it worthwhile. I haven't gotten all the returns from my first mailout yet so I'm not sure how many good addresses I have. You might want to wait to get a roster until I find out who we've got. I should have it worked out by my next newsletter. I hope to have it mailed out in about a week if enough donations come in to cover the costs. I do know that if my addresses are correct there are several "Charlie Rangers" in the Columbus/Ft. Benning area.

I have a different address for George Philabaum than you do. His letter has not been returned, so mine may be the most recent.

Again, thank you for writing. I hope I've answered your questions adequately. If not, please don't hesitate to call or write, that's what I'm here for.

RANGERS LEAD THE WAY
