Worth,

I just got your card. I'm speechless. With your donation, there will not only be enough money to do this mailout but combined with the other few that I've gotten it will carry us well into the next one.

I just really can't thank you enough. Not just for the money, but just knowing that there is someone else that cares as much as I do has bolstered my dedication more than you'll ever know.

We're really doing some good too! I will probably get a few more returns on my 1st letter but, as of right now, 240 out of 307 letters were delivered. 78% ! Not bad, that's a good base to start with.

The physical response has not been overwhelming but we can work on it. I've gotten about a half dozen calls and about the same in letters. The response I've gotten has been very positive and supportive. I've answered all letters personally. I think we already have enough to build on.

OK, enough jawin'! I've got two working days to try and put together another letter. My wife has kindly offered to finish getting it out if I can't before I leave for Augusta. She's a real RANGER MOMA!

I'll be in touch while I'm in lockup. Thanks again!
