

## ★ Attention Historian ★

This set of letters contains a very important and little known piece of military history.

After Vietnam, Co C Ranger was re-activated as part of the 197th Infantry Brigade at Ft. Benning, Ga.

It was deactivated just prior to the formation of the 1st Battalion of the present day 75th Ranger Regiment and many of the "Charlie" company veterans were original members of the 1st Ranger Battalion. (see enclosed letter + orders)

Co E (LRP) + Co C (Ranger) Assoc.

(many Vietnam LRP/Ranger veterans and military historians will argue this until their dying breath!)
