Mrs. Dandridge M. Malone

Mrs. Malone,

I want to thank you for your response to my letters. I was very disheartened personally to learn of Dandridge's physical condition. He was my commander in both Co E and Co C and I have the utmost respect for him as do, I'm sure, all of us who served under him.

In my quest as representative to bring those of us together who served in Co E (LRP) and Co C (Ranger) I have encountered several of our comrades who are now deceased. This is not very reassuring as it reminds me that we are, rather than as young as our memory of that time suggests, in fact, reaching the age of physical accountability. It becomes therefore, even more important that we not lose that bond we shared so long.

I'm sure that I speak for all of us in saying that we offer our unreserved support. If there is any way that we can be of assistance to you please don't hesitate to let me know.

Would you also please keep me apprised of Dandridge's condition in the future as we will all be concerned.

Sincerely,
