Subject: Email & KIA

Richard,

Got your address from our new homepage. Wanted to make sure you had mine too. It will facilitate finishing up my KIAs.

Have put a query in my newsletter ref Sgt. Lee and Walker. Will advise if I get anything back.

Have one more additional:

Burkhart, Walter G.

Co C / 75th

KIA Oct '69

Checked my orders database and don't have any further info as to Rank etc. Command authority should be 173rd Abn. Bde.

Let me know if you find anything on him or if I can help. Will be here working all weekend.

Thanks
