Roy,

As per your request find enclosed an updated KIA list for us that reflects the changes you and I researched on the phone last night.

To refresh you we did the following:

Corrected Bill Squires to William R. Squier

Confirmed Frederick W. Weidner

Confirmed and added Edward E. Scott, Rex M. Sherman, and Richard G. Buccille.

That should leave only two to confirm, and I'll work on those.

Find enclosed my letter to Richard Erhler. Same list was enclosed to him.

Thanks,

Daniel
