Richard,

Roy Boatman and I had a lengthy session last night working on KIAs. I have three new names added to our list , highlighted at the bottom of the enclosed list. Also you need to change the listing on Squire. The one you posted is the wrong guy. It should be as on the enclosed list.

To date, all names and accompanying information are confirmed and correct as per the enclosed list except for the two listed at the bottom of the list. I just don't have enough info to work with on them. I'll will be trying to get additional info to go with these names.

Thanks,
