Robert,

Hope this will catch you up a little. There's an application in the Patrolling letter if you want to join the Association.

Also, how did you find out about me and get my number? I'm glad you did! Welcome home brother!

I was given your
#NO. by a Marine that
has a friend that was
a Ranger in M/75 and
is a member of the Assoc.
I was in the unit 4/75
when they disbanded it after
I was in for 7 months I was
there when they stood-down our
colors and gave us the Valorous
unit award. When I got out
I hid for 20 years and now
I'm starting to come out of my
shell - don't ask me why I
don't know Our last KIA's Name
was Robinson he was killed by a
sniper in 7/71. I believe I ^{can't} remember his full
Name.
