Ron,

I wanted to pass this on to you as soon as possible because I know you are
anxious to proceed.

I hope you are not insulted by part 2 of the resolution. Many folks think
writers get rich doing what they do, I happen to know better. But what we
are asking for, since we are a non-profit organization and have no other
source of revenue except our membership dues, is a donation in whatever
amount you feel prudent to help perpetuate our organization and its goals.
As an example, last year we purchased bricks inscribed with the names of all
our brothers who were killed in action to be place in the walk of the Ranger
Memorial at Ft. Benning. We have no source of funds for projects like this
except for ourselves and those who are willing to help us achieve our goals.

Daniel

It was moved and seconded that Daniel Pope, Association Historian and
Archivist, be authorized to: 1. Make available to Mr. Ron Fields
Association Archives in order to assist him in the writing of a book on the
LRP/Ranger experience, and 2. Negotiate a payment to the Association as a
donation from the royalties accruing from the sale of any book or other
publication resulting from Mr. Fields efforts. Mr. Pope to use his best
judgment on these issues and is only required to report his actions and
results.

With three of five voting members, Regis Murphy, Sam Pullara and Rocky
Stone, voting, "Aye", and two voting members, Skip Resch and Dean Barker not
voting, the motion is agreed to. Daniel Pope is authorized to proceed.
