Ron,

Your donation offer is very acceptable and also very appreciated.

The IMO should be made payable to:

Co E (LRP) & Co C (Rngr) Assoc., Inc.

Please remit to:

Treasurer
 Dean Barker

(!)

I will by separate email, and by snail mail if you desire, forward a written release for anything you wish to use.

Ron, anything we have is available to you, but be advised that we are probably going to have a hard time if you need to know the original owners of all the photos you need to use. I've not cataloged the donator of every photo as they've come in. I did not foresee the need for it. This situation tells me I should have. I have a pretty good memory though and will assist in any way possible to come up with the information you need.

Tell me how you wish to proceed.

Daniel
