Jesus,

I am disappointed that you were not able to make the Executive Board meeting last weekend.

I chose you to be Secretary because I have no doubt that your heart is in the right place Jesus, but it is 8 months down the road now and you have not been able to lend a hand. I would like to add that there is no doubt in my mind that it has not been of your own choice. I know you've had a lot going on and have been stretched thin, yet, the fact is that the Association is booming and we direly need a functioning secretary.

I suggest that you consider making a choice at this point. You stand as my choice for the office of Secretary, but, if you do not honestly feel that you can devote the time and energy necessary to fill the position, and very soon, you should consider resigning so that someone else can fill the position. It would be the honorable thing to do.

There exists no animosity nor hard feelings Jesus, I'm only concerned with doing what is best for the Association.

Please advise me as soon as possible.

Sincerely,

*Daniel Pope*
