Subject: Stories of the 15th Engineers, Viet Nam

Sir:

My name is Carter L. Glass and I am a former member of the 15th Engineers, Company "C", 1st Platoon.

I have a story posted on the website, one of my many memories of VN, as I recall the events about the Ben Luc Bridge.

At present I am in the process of writing more stories about VN and the Korean War, and my military career of more than 20 years.

You have my permission to use my story on your website. If more information is needed, please e-mail me at rip cord18728@msn.com

Dick Coogan was kind enough to forward your e-mail address to me.

Best regards,

Carter L. Glass USA Ret.
