Subject: Personal story from VN

Curtis,

Dick Coogan with 15th CEB Website advised me that you would be interested in obtaining permission to use my personal story in the TTU Virtual Vietnam Archive. I'm honored that you have expressed an interest and fully support the work that is going on at TTU to preserve the history. I am attaching the original story in the format that I prefer. Dick had rearranged it slightly to fit the 15th CEB website. I have no interest in placing any restrictions on access to the story, my intent in writing it was to preserve its history. Thank you for your efforts.

I am currently, the Chief Probation Officer in Eastland County, Texas (about 200 miles southeast of Lubbock) and have a 16 year old son who intends to go to Tech in a couple of years, so I'm hoping I'll have a chance to visit the archive in the not too distant future. In the meantime, I have visited the website and its magnificent!

Feel free to contact me at (254) 629-2629 (days) or (254) 629-2056 evenings or weekends, if I can assist you further. My land mail address is 400 Briarwood, Eastland, Texas 76448.

Thanks,

Randall K. Logan
