Subject - 2 pick up Dodge  
No. VN-2115 and VN-2116  
ex. s/s Johannes Maersk

Dear Sir,

Following your Bon de Commande No. 1433 of Aug. 28, 54, please be informed that the 2 pick up Dodge VN-2115 and VN-2116 cannot be put at the disposal of the Health General Direction, of VN for the time being, because:

- 1) pick up VN-2115 (assigned to Choquan Hospital) is now used by the A.E. Mission in the Cap Saint Jacques refugee center
- 2) pick up VN-2116 (assigned to the Medical Assistance, Giadinh) is used temporarily by our Administration for refugees.

To replace these 2 Pick ups, I would propose to take over 2 light trucks Dodge VN-2362 and VN-2363 from the 8 remaining of 30 Dodge light truck lot ex. s/s Muncaster Castle (FR-4270 - Contract 2769) which are now in Public Works Material Section Giadinh to assign them to the Health General Direction, Viet Nam.

I return you herewith attached Bon de Commande No. 1433 for rectification, if you accept my proposals

Yours truly

(s) Dinh Quang Chieu.

*Be Dan to go see trucks if OK, me OK, 25 September.*
