Statement of Evacuation Program for North Vietnam

We have been asked by the Mission Information and Education Division to prepare a brief statement of TCPIAM Division's part in the EVACUATION program from North Vietnam.

They wanted this statement on Saturday (i.e., tomorrow), 25 September 1954, but at my request the date was moved back to Monday morning 27 September 1954.

Will you please let me have your brief statement about this for publication in the Mission's consolidated report.
