100 Refugees, Gen.  
File  
Refugees

The Organization Committee of the "Peace Fair" regrets that the invitation cards for the Opening did not arrive in time. So the ceremony on December 4 has not been honoured by your presence. What is more regrettable, is that this day was an occasion for the Refugees to show their gratitude towards the Nations which have helped them, among which the Great American Nation holds the first rank. Therefore the Committee will organize once more at Honai (at 10 km from Bienhoà-City) in Wednesday December 8, 1954 towards 18H00 p.m. a religious ceremony to implore the Almighty to bestow His heavenly Blessings on all Benefactors and Friends.

The Committee beg you kindly to honour by your presence the Procession by torchlight which will be followed by a High Mass celebrated by the most Illustrious and most Reverend Monsignor Joseph Harnett, Special Envoy of the N.C.W.C.-W.R.S., with the pontifical assistance of His Excellency Monsignor Pierre Pham Ngoc Chi, Bishop in charge of the Refugees of North Vietnam.

The Organization Committee.
