FOR ACKLEY FROM ADLER

~~OTC-90.2~~

Previously established policy as followed Hanoi for removal AEA public health equipment as follows. All institutional and laboratory equipment and material in actual use remains. All supplies and equipment including pharmaceuticals, surplus in warehouses to be removed. All rolling stock including jeeps, station wagons, trucks to be removed. In general policy is to leave material in hospitals and laboratories to permit functioning but without surplus replacement stocks.

Advise if this policy not REPEAT NOT satisfactory to Dr. Coe. Submit lists items to remain and to be evacuated soonest.
