

## Office Memorandum •

*File 1.00 Refugees, Med.*  
UNITED STATES GOVERNMENT

TO : Dr. Peterson  
 FROM : D.C. ~~Da~~vergne, Asst. Dir. for Resettlement  
 & Rehabilitation  
 SUBJECT :

DATE: Jan. 19, 1955

Concern is being expressed in the Refugee Commission over the increasing amount of beri-beri in Bienhoa area. Presume you have heard of it and in turn with VN Health Ministry but am passing it on to you, just in case.

*Will contact the MOH. Also wonder if the Refugee Comm. has contacted the Ministry.*
