To:
Mr: Roger K: Ackley
Special Delegate
USOM / Haiphong

Dear Mr: Delegate:

I have received your letter of January 28th and would like to inform you that according to the investigation made by Major Ehret, Transmission Specialist, the material indicated in your letter does not belong to American aid "with the exception of the 5 KW - W 14" generator:"

Major Ehret contacted Lt: Colonel Jones on January 28th in order to ask this superior officer to furnish him certain precise information on the origin of the material for which you have asked the evacuation:

According to certain documents in our possession this material belonged to the French Radiodiffusion before 1950 and was transferred in February 1950 to the Government of Vietnam: I regret therefore that I cannot now authorize the evacuation of material in question listed under paragraphs number one to eight:
