

FORM NO 64

CONFIDENTIAL**Office Memorandum • UNITED STATES GOVERNMENT**

TO : Mr. Alfred Cardinaux, Resettlement
FROM : Mr. M.H.B. Adler, Chief, Field Service
SUBJECT : Reference Field Report FS-337, Phuoc Ly Incidents.

DATE: Aug. 6, 1955

Your attention is invited to the recommendations for the relocation of the three resettlement villages in the Phuoc Ly area on page five of the subject report. The field representatives consider the sites on which the villages are located to be unsuitable for purposes of permanent resettlement. The additional political and ministerial complications outlined in this report appear to warrant priority consideration for the relocation of these refugees.
