

Thunder! magazine

DASPO had a very close working relationship with the 25th Division Public Information Office. When they published the first issue of their Division magazine, they used quite a few DASPO photos. The cover shot was by SSG Alfred Batungbacal. Other photos inside were by SP4 Tom Laren, SP4 Tim Egan, SPS Robert Latoon, SP4 Bryan Grigsby, SP4 Ken Powell, SFC Peter Ruplenas. This was the first time I had one of my pictures published.
