Dear Captain Smith:

I wish to acknowledge receipt of your letter of 2 April 1968 along with the report of the activities of the 9th Medical Lab in Vietnam during the period June 1966 to May 1967.

LTC Pierre A. Finck, MC, the author of this report, is to be commended for its excellence.

I know that this document will be of considerable value to us here at The Historical Unit when we become more acutely involved in the preparation of the clinical history of the Army Medical Service in Vietnam.

I am most appreciative of your thoughtfulness in sending a copy of this report to me. With kindest personal regards,

Sincerely,

ROBERT S. ANDERSON
Colonel, Medical Corps
