## FOREWORD

This special issue of the Public Administration Bulletin concerns itself with the hamlet elections, and is a companion piece to issue No.38 of June 1967, which was devoted exclusively to the village elections.

Readers are invited to refer also to issue No.35 of 1 February 1967, which contains decrees and circulars affecting the conduct of village and hamlet elections. These three issues provide a comprehensive documentary on the significant steps taken thus far toward establishment of a more responsive and responsible government in Vietnam.

On election day, May 28, there were no Viet Cong terrorist activities reported.

Step 4: While there were no incidents reported during the week preceding the 4 June election date, there were scattered harassing actions on election day. Four Viet Cong were killed and 15 grenades captured in a clash with security forces in An Thanh hamlet, An Hoi village, Truc Giang district, Kien Hoa province. A booby trap exploded at the flagpole adjacent to the polling place in Long Lien hamlet, Long Dien village, Phuoc Tuy province, injuring two ARVN soldiers.
