Dear Friends ,

So far we have sent you regularly copies of Vietnam Courier, Vietnamese Studies, and books published by the Hanoi Foreign Languages Publishing House.

Having not heard from you for some time, we should be glad if you would let us know :

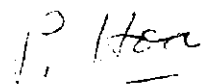

- whether the above publications have reached you ? (and with any delay).

- whether you still want them, and whether you would like to receive other documents and information on Vietnam.

Your criticisms and suggestions concerning the sending, and especially the content of those publications will certainly help us improve our work,

Looking forward to hearing from you soon.

Sincerely Yours

Mrs. Phuong Hoa
