Mr. Michael Van Atta

Dear Mr. Van Atta:

The League is in receipt of your letter dated November 18, 1995 concerning what appear to be DOD proposed talking points for presentation to the Vietnamese in 1992. Mrs. Griffiths has asked that I respond on her behalf.

We assume that your concern is whether or not these talking points were ever used when asking the League to "look into the accuracy of this information". Although, the contents of the talking points appear to be substantive and thoughtful regarding real or perceived SRV sensitivity on the POW/MIA issue, it is the League's understanding that they were never presented to SRV officials.

If, however, this does not answer your question, please feel free to contact us again.

Sincerely,

Mary Dzaugis
Director of Operations
